"**Yanna Liebes**, a long time former member of our branch passed away recently. Many of us have fond memories of her warmth and generosity. She taught piano and art at her studio in Westlake Village and was always supporting the MTAC events. She considered her students to be her kids and was very passionate in her teaching. She loved going to concerts, art exhibitions, loved nature, loved to entertain and was a great cook. She was a lovely lady and will be remembered by her many students, colleagues and friends." Dearest Colleagues:

We trust that you are all refreshed from wonderful holiday celebration and entering into a new year and decade with utmost enthusiasm and optimism!

As your CM preparation enters its final weeks of preparation, please encourage your students to participate in our branch's first pilot sight reading festival – Prima Vista Festival – to be held at Holy Trinity Lutheran Church on Sunday, February 9, 2020 from 2pm to 7pm. Our adjudicator is Joanna Ezrin, who has successfully spearheaded MTAC San Fernando Valley West branch's sight-reading festival. You should have received an email with the registration link which was sent out mid-December. The new deadline is now Sunday, January 19, 2020 at 11:59pm. Participation in this festival will indeed prepare your students for their sight-reading portion of the CM evaluation. We anticipate a robust number of registrants!

As members of MTAC, we are so fortunate to be afforded many growth opportunities offered by our branch and state programs, and by neighboring branches too. Please take advantage of the invitation extended to us by the MTAC Pleasant Valley – Ventura County Branch to attend an upcoming piano Masterclass by James McCormick to be held at the First United Methodist Church located at 1338 Santa Clara St, Ventura from 10am to 12:30pm on Friday, January 10, 2020.

We also want to encourage each of you to attend a very special event hosted by CSUN Piano Department inaugurating the Edward Francis Piano Resource Collection, to be held at Sunday, January 26, 2020 at the Cypress Recital Hall, CSUN. We have been very fortunate as a branch to have had such a visionary leader who has left such an indelible impact and legacy not only on our branch, but the music community at large! How greatly we miss Edward! In addition to attending the event, would you please also consider donating towards the Edward Francis Piano Resource Collection, in honor of his memory? For more information, please read the attached poster.

We enter this new year and new decade with a heart beaming with immense gratitude to all our teacher members who give of their time, talent, resources to make our MTAC Conejo Valley an exceptional branch! May we continue to serve each other, our students and their families with utmost excellence and joy!

Susan Mastrolonardo and Ruth Kuo.

ASCAP Submissions: Do the Right Thing.

Did you know that US Copyright Law states that composers must receive a royalty when their work is performed? ASCAP protects the rights of its members by licensing and distributing royalties for the performances of copyrighted works.

ASCAP members make their living writing music, many of whom are also MTAC members. ASCAP exists to ensure that music creators are paid when their works are performed publicly. Rental or purchase of sheet music does not authorize its public performance.

MTAC has an ASCAP Copyright License, and covers each and every MTAC member for all branch and individual performances. However, in order for ASCAP members to receive royalties from the performances of their works, we must submit programs to the state office. This is where I need your help.

Throughout the 2019-2020 season, I'll collect TWO copies of each program and send them to the MTAC state office on June 30. As a reminder, these can be studio recitals, masterclasses, festival, and any other performances.

For the convenience of our branch members, there are several ways to submit your programs:

1. Send them to or drop them off at my home: Caitlin Boruch, 1258 Rotella Street in Newbury Park, CA 91320.
2. Give them to me if you see me in any capacity (MTAC festivals, performances, around town). It is the responsibility of the festival chairs to turn in the programs, but at the festivals where my students perform, I'm happy to arrange to pick up the two copies of every performance.
3. Collect them throughout the season and hand them to me at the MTAC luncheon and general meeting in May.
4. Email them in PDF format to caitlinwb@gmail.com

Thank you for your help in ensuring our composers collect the income they have earned.

Chamber Music including Voice Orchestral Instruments (and pianists!)

Dear Teachers,

The MTAC State VOCE program is a prestigious competition for vocalists, strings, winds/brass, and chamber ensembles. Finalists from the local branches throughout California compete to attend the final round in April. The winners from that round will go on to perform at the State Convention where they can receive cash prizes. The Conejo Valley MTAC runs a festival that incorporates the first round of the State competition alongside "Branch-Only" events.

The **MTAC branch only VOCE** program is an alternative or preparatory recital program for piano four hands, vocalist soloists, string soloists, winds/brass soloists, and chamber ensembles made up of any combination of instruments. It is meant to mirror MTAC State VOCE competition without the high level rigor. It includes a later registration date which is now listed on the branch website. State VOCE is enrolled only on the state website. Teachers registering students for **MTAC branch only VOCE** need to pay fees on this branch event registration page and be supported by fees paid by participants to the teacher. The Conejo-Valley MTAC runs this festival that incorporates the first round of the State competition alongside this branch only event.

The VOCE program had another banner year, featuring many promising ensemble and solo performances. This year, many branches also held their own non-competitive VOCE events, giving students who were not ready to compete a chance to perform and introduce them to the VOCE program.
